This product has been registered with the Washington State Department of Agriculture Organic Food Program

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm

GENERAL INFORMATION

BIO HUMIC ACID is Humic Acid that is designed to be applied as a foliar, or as a soil product to increase availability of nutrients and improved soil structure.

BIO HUMIC ACID contains water soluble Humic Acid that is extracted, via an alkaline hydrolysis, with potassium hydroxide, of Leonardite ore. This high quality formulation may be applied alone or in combination with fertilizers and pesticides.

DIRECTIONS FOR USE

SHAKE, STIR or AGITAE BEFORE USING

GENERAL - Apply 1 to 3 gallons per acre. This may be broadcast or banded on soil and incorporate prior to planting.

PREPLANT and SIDEDRESS - Apply 1 to 3 gallons per acre in a least 25 gallons of liquid fertilizer. See compatibility mixing instructions below.

DIRECT SEEDING - Apply 1 to 2 gallons per acre banded on seed at planting.

STARTER FERTILIZER - Apply 1 to 2 gallons per acre with starter "pop up" fertilizer. See compatibility and mixing instructions below.

WATER RUN - apply 1 to 3 gallons per acre in irrigation water.

DRIP IRRIGATION and MICRO SPRINKLERS -

Apply 1 to 3 gallons per acre. Dilute BIO HUMIC ACID in a ratio of 1 gallon to 3 gallons of water prior to injecting into irrigation system.

TRANSPLANT WATER - Apply 1 to 3 gallons per acre in transplant solution.

FOLIAR APPLICATION - Apply 1 to 1½ gallon per acre by ground or air with foliar fertilizers. Repeat as needed.

COMPATIBILITY and MIXING INSTRUCTIONS

Compatible with most pesticides and fertilizers. Mix BIO HUMIC ACID with neutral liquids keeping the solution pH between 6-8. Do not mix with acid solutions.

CONDITIONS OF SALE AND WARRANTY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. Buyer assumes the risk of any use contrary to such directions. Seller makes no other warranty of representation of any kind, expressed or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of the seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Any controversy of claim arising out of, or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the commercial arbitration rules of the American Arbitration Association, and judgement upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.
